### **UNESCO Fellowship Programme 2010-2011**

The Maltese National Commission for UNESCO invites candidates to apply for a UNESCO Fellowship tenable in 2010-2011.

The UNESCO Fellowships Programme provides opportunities for innovative training and high-level studies through the granting of short-term postgraduate fellowships for the benefit of UNESCO's Member States.

The fellowships are aimed for post-graduate candidates wishing to study abroad, to either pursue further training or undertake advanced research or upgrade skills or attend specialised refresher courses.

Candidates must have at least an undergraduate degree and must not be more than 45 years of age.

Applicants are expected to have exceptionable merit and to have demonstrated that they possess outstanding potential that would enable them to make a significant contribution to their country upon their return.

Applications are to be posted to:

**The Chairman  
UNESCO National Commission, Malta  
Participation Programme and Fellowships Section  
Education Division, Great Siege Road, Floriana.**

or by email on [victor.battistino@gov.mt](mailto:victor.battistino@gov.mt) (advance copy only).

**by not later than 12.00 noon on Wednesday 21 April, 2010.**  
Late applications will not be considered.

Further information and application forms may be obtained from the web-site of the Maltese National Commission for UNESCO at [www.unescomalta.org](http://www.unescomalta.org).
